

MATRIX
I N D U S T R I E S

Matrix Resilient ties and mounts satisfy BCA requirements for acoustic and vibration standards for discontinuous construction of separating walls for apartments, villas and duplexes

Matrix MB01 Resilient Cavity Wall Tie

The Matrix MB01 is a resilient wall tie designed for **double leaf masonry** construction.

A medium duty Type A cavity tie. Complies with Australian Standard 2699:1:2000 Wall Ties and AS3700.2001

CSIRO tested product (CZS6BTS3246)

The MB01 range is available in two standard sizes to suit cavity widths ranging from 20mm to 100mm.

<u>Product Codes</u>	<u>Material</u>	<u>Durability</u>	<u>Wall Type</u>	<u>Sizes Available:</u>	<u>Suits Cavity Width</u>
MB01GA50	Galvanised	R1	Internal use only	28mm W x 25mm H x 185mm L	20 - 80mm
