6. The offer of bonus batteries will be subject to the spend thresholds being met and the above spend thresholds must be based on a single qualifying transaction value, not a cumulative purchase of multiple qualifying items.
7. In order to facilitate this offer, Bunnings team member will charge you \$0.1 per bonus battery with the purchase of 18V Qualifying Products or 54V Qualifying Products. However, in the same transaction a 18V Qualifying Product or 54V Qualifying Product will be reduced in price to the value charged for the bonus battery (being \$0.1).(Example: Customer selects a Dewalt 18V XR grinder skin with a retail value of \$208 and requests to claim the instant bonus battery. 8. The 18V Qualifying Product(s) or 54V Qualifying Product(s) and the relevant bonus battery must be purchased together as one transaction.
9. Where discount applies it will impact the transaction value. For example, for PowerPass customers and Bunnings team members that receive discounts.
10. Where products are marked down or are eligible for the application of Bunnings' price guarantee, the marked down price will be applied for the offer and will impact the transaction value.
11. Therefore, a customers' total spend amount per transaction must still meet the total spend thresholds above despite any discounts, vouchers or mark downs received.
12. Bunnings reserves the right at any time, solely at its discretion, to offer the customer a substitute qualifying combo kit skin, or battery of equivalent value if a product is not available.
13. This offer is not transferable, cannot be re-sold and cannot be taken as cash.
14. This offer is not valid, or can be used in conjunction, with any other Bunnings redemption offer.
15. Subject to the statutory consumer guarantees as provided under the Competition and Consumer Act, if a customer returns for 'change of mind' reasons a 18V Qualifying Product or 54V Qualifying Product which it purchased as part of this offer, the associated free bonus battery must also be returned.
16. If this offer is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of Bunnings, Bunnings reserves the right (acting reasonably) to modify, suspend, terminate or cancel the offer, as appropriate in the circumstances.
17. Nothing in these Terms and Conditions limits, excludes, or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Competition and Consumer Act, as well as any other implied warranties that are incapable of being excluded (Non-Excludable Guarantees). Except for any liability that cannot be excluded, including the Non-Excludable Guarantees, Bunnings (including respective officers, employees and agents) excludes all liability (including negligence) for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special, or consequential, arising in any way out of this offer.

18. The laws of Australia apply to these Terms and Conditions. Participants submit to the exclusive jurisdiction of the courts of Australia.
