Bunnings thanks team members for their incredible efforts during COVID-19

Attribute to Mike Schneider, Bunnings Managing Director:

We have a long history of rewarding our team in line with our performance and this year will be no different. This year, our team has dealt with a number of challenges with the devastating effects of drought, bushfires and floods in Australia, and on both sides of the Tasman, we've dealt with the unprecedented challenges of the COVID-19 pandemic. Our teams have worked incredibly hard to keep our stores open and safe for everyone.

As always, we're thanking our team for their truly incredible effort, and will reward them in the best way possible, and we wanted to do this as early as we could after the end of financial year.

Full-time permanent team members will receive a cash bonus and gift card and in addition to this, as a sincere thanks for their exceptional efforts this year, all team members will receive a 'thank you' bonus.

We will also acknowledge our team in the usual way following the release of our full year results in August.

We're so proud of our team members and their unquestionable commitment and support of each other and our customers continues to simply amazing.

- ENDS -

For information:

- Store team members in Australia and New Zealand will receive up to an extra \$1000 thank you payment with particular recognition for the customer-facing work over the past few months, and support team members will receive up to an additional \$500.
- The thank you payment amount will be prorated for part-time and casual team based on hours worked in the second half, during the height of COVID-19.
