BUNNINGS
TRADE

Helping business is our trade.

CONTENTS

We're here to support you from the front gate to the back fence. Across all building stages, we've got you covered for your next residential or commercial project. We can supply you with everything from pre-fabricated timber frames and trusses, to flooring, joinery, appliances, commercial grade windows, façades, plumbing and more. And, if we don't stock it, we'll do our best to source it for you.

At Bunnings Trade, we are here to help you with every component of the four key stages of your build. From establishing the foundation, to framing out your build, all the way to fitting out the property and adding the finishing touches, we are here to assist you in getting your job done on time, and on budget.

CUSTOMER FEEDBACK

KG Builders Limited

The trade team at Bunnings truly understand my business needs and go over and above what I would expect. I am always welcomed by the friendly staff who greet me with a smile. They possess extensive product knowledge for their large product range and consistently go the extra mile to provide efficient and timely service. If I'm pressed for time, they are more than willing to organise delivery directly to site.

If you're looking for a supplier that can help your business operate seamlessly, I highly recommend the trade team at Bunnings.

Director - KG Builders Limited

Mills Group

Bunnings Trade have really impressed my team and myself within our Mills Group Ltd organisation since progressing our projects in the Christchurch area.

Across all their support teams, we have had total commitment to our wants and needs to execute our projects.

Quoting of our projects has been very competitive, and so consistently have fit within our budgets and helped Mills Group Ltd secure current and future projects.

Mills Group Ltd look forward to a continued working and professional relationship with the Bunning Team here in Christchurch.'
