

# Bathroom Guide

**CAROMA**  
Made For Life

Available at  
**BUNNINGS**  
warehouse

Take this brochure to the Special Orders Desk or order online at [bunnings.com.au](https://www.bunnings.com.au)

At Caroma, we believe bathrooms are more than just functional spaces - they're integral parts of our daily lives. For over 80 years, we have dedicated ourselves to creating purpose-built products and solutions that are designed for living and built for life.

As leaders in the industry, we put people at the heart of everything we do. The Caroma team is committed to developing inspiring and innovating products for all needs, using our knowledge and expertise to ensure every detail enhances the way we all live.

Our products have been designed and stringently tested at our dedicated Design & Innovation Centre in Sydney.

Enjoy peace of mind with extensive warranties across Caroma Collections, with up to 20 years warranty.

CAROMA

**CLEANFLUSH®**

Our patented rimless toilet technology delivers a whole bowl clean with no splashback.

CAROMA

**GERMGUARD®**

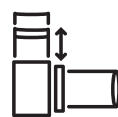

A unique antimicrobial formula that kills harmful bacteria, preventing the spread of nasty germs.

CAROMA

**UNI-ORBITAL®  
CONNECTOR**

Our patented connectors overcome installation issues by allowing for a flexible 50mm radius for connection.

CAROMA

**ADJUSTABLE  
FLUSHPIPE**

Quickly realign the water inlet of your Invisi II in-wall cistern without damaging your wall.

\*See [www.caroma.com.au](http://www.caroma.com.au) for full warranty details

**CAROMA**  
**Made For Life**

# Choosing the right Toilet Suite

## Step 1. Select your toilet type

### CONCEALED

The cistern is hidden inside the wall cavity leaving only the toilet pan to be seen. Concealed toilet suites are the latest in bathroom trends!

### CLOSE COUPLED

The pan and cistern are joined together so you cannot see the flush pipe. The Caroma Uni-Orbital® Connector provides rotational positioning, allowing for more accurate suite alignment.

### WALL FACING

The back of the pan sits flush against the wall leaving no gaps between the toilet and the wall. This style of toilet prevents dust or dirt falling behind the toilet, making it easier to clean!

### CONNECTOR

A traditional looking toilet with the cistern joined to the pan by a plastic flush pipe. Because they are two-piece systems, Connector or Linked toilet suites give you the most flexibility in layout.

## Step 2. Determine your inlet type and set out

### UNIVERSAL TRAP PAN

A flexible option that allows either an S Trap or P Trap installation.

### P TRAP PAN

The toilet spigot is horizontal which connects directly into a pan collar mounted on the wall.

### S TRAP PAN

The toilet spigot is connecting directly into the floor-mounted pan collar.

### SET OUT DISTANCE

Measure the set out distance from the floor or wall to the centre of the waste pipe.

## Step 3. Identify your cistern type

### BOTTOM INLET CISTERN

The water enters the cistern via a hose connected into the bottom of the cistern.

### CONCEALED CISTERN

A hidden cistern that is installed in a wall, roof cavity or under a bench top.

### BACK ENTRY CISTERN

The water enters directly into the back of the cistern with the hose hidden from view.

### CAROMA SUPERIOR HYGIENE

#### CAROMA GERMGARD®

A unique antimicrobial formula that kills harmful bacteria, preventing the spread of nasty germs.

#### CAROMA CLEANFLUSH®

By removing the rim of the bowl, there is nowhere for germs to hide, and by adding Caroma's flush and flow features, we've created a superior flushing performance that delivers a cleaner clean.

### LUNA CLEANFLUSH® INVISI SERIES II® WALL FACED TOILET SUITE

844910W I/N 0180849

- WELS 4 star rated, 4.5/3L (3.5L avg/flush)

- WELS 4 star rated, 4.5/3L (3.5L avg/flush)
- Bottom inlet
- Crafted from highly durable Vitreous China
- Round Chrome button
- Seat sold separately

Dimensions W:368 H:394

**BOTTOM INLET CISTERN**

Can be used to replace the Luna cisterns if damaged

# How to choose Basins

## Basin types

Wall, inset, semi recessed, above counter, under counter or vanity basin? Three, one or no tapholes? It all depends on the amount of room, styling, required functionality and how much space there is available. Use a tower basin mixer to match an above counter basin, or a mid basin mixer for a semi recessed basin.

**STAIN RESISTANT**

**VITREOUS CHINA**

All Caroma basins includes white plug and chrome flush fitting waste and basins with overflow includes a chrome overflow ring.

- Crafted from highly durable vitreous china that has great durability, sanitary and stain resistant properties.
- Available in above counter, semi recessed, inset and wall basin styles.
- 20 year warranty.

\*See [www.caroma.com.au](http://www.caroma.com.au) for full warranty details

**WALL BASINS**

Fixed directly to wall with brackets and doesn't require a vanity for installation. Ideal for saving space with a minimalist look. Enhance the basin with a pedestal or shroud to improve the finish of the bathroom as well as conceal plumbing.

**INSET BASINS**

The basin is installed into the vanity top, similar to vanity basins, but give the look of an above counter basin.

**ABOVE COUNTER BASINS**

Installed on top of vanity surface. Easiest to install, little requirement of tapholes or advanced plumbing. Ideal for tall people as the rims are positioned above waist level, and can also compensate for low counters in the bathroom.

**VANITY BASINS**

Installed with a flush fit into the top surface of the vanity. Rims are flared and slightly raised above the counter surface. This helps control spills and protect the counter's edge treatment. Most are drop-in to suit a pre-cut countertop.

**SEMI RECESSED BASINS**

Designed to give more usable vanity space, these basins overhang the vanity space.

Luna Above Counter Basin with Brushed Nickel Luna Tower Basin Mixer and Plug and Waste

### LUNA SEMI RECESSED BASIN

1TH 873615W I/N 0135746  
 0TH 873605W I/N 0184853\*

- Available with 1 tap hole
  - Bowl capacity: 3 litres
- Dimensions W:415 H:157 L:415

# Baths

## Key considerations when choosing your bath

### HOW MUCH SPACE DO YOU HAVE?

A freestanding bath will make a strong design statement but typically requires more space than a traditional bath. A traditional built-in bath is dropped into a hob or customised surround.

### WHICH BATH TYPE IS BEST FOR YOU?

When renovating, you'll need to consider the existing plumbing? Does your bath have an end waste, centre waste or off-centre waste? What are the dimensions?

**VITREOUS CHINA**

**STAIN RESISTANT**

**BUILT IN BATHS TILE FLANGE**

This style of bath is essential when installing a bath that will also be used as a shower. It redirects the spray run-off correctly back into the bath.

**BUILT IN BATHS ISLAND**

One of the benefits of an island bath is the generous shelf around the perimeter for storing items such as toiletries, candles and novels.

**FREESTANDING BATH**

Freestanding baths are perhaps the ultimate style statement, they create the luxurious, sophisticated feel of a retreat or day spa.

Remember: freestanding baths can be heavier than built in baths, so you need to ensure the floor can take the weight.

Luna Back to Wall Freestanding Bath

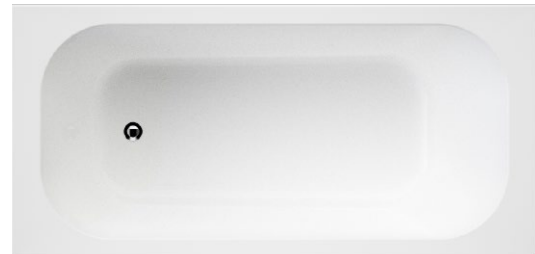

\*See [www.caroma.com.au](http://www.caroma.com.au) for full warranty details

### LUNA BACK TO WALL FREESTANDING BATH

1400 LU4WFW I/N 0186577

- Stain and scratch resistant
- Integrated overflow

- Complete with a tile flange for built-in installation
- Integrated armrests for extra comfort
- Plug and waste not included
- Water Capacity: 230L / 260L / 330L

# Showers

## Key considerations when choosing your shower

A sleek, modern shower will not only enhance the appearance of any bathroom but also your daily bathing experience.

Our Luna range of eco-friendly showers are engineered with a superior water saving rating, without any compromise on performance.

**RAIL SHOWERS**

Extremely practical, perfect for a family or couple with varying heights as the shower head can be positioned both at different heights along the rail and different angles.

**ADJUSTABLE WALL SHOWERS**

A neat and stylish look, with the flexibility and practicality of height and angle adjustment.

# Tapware

## Three Piece Tapware

Three piece tapware might be considered a traditional set-out, but the variety of style options available is anything but. Each tapware set includes three parts - a hot and cold faucet and the outlet itself.

In Australia, the hot tap should always be installed on the left and cold tap on the right. Basin top sets are installed on a basin or vanity unit. Wall tap assemblies are mounted on a wall, for showers, baths and above counter or wall-hung basins.

- Hard-wearing solid brass construction with durable chrome finish
- Includes ceramic disc cartridge to eliminate drips and minimise maintenance
- WELS 3, 4 or 5 star rated

**BRASS**

**LEAK TESTED**

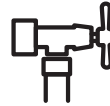

**BATHROOM 3 PIECE  
BASIN TAPWARE**

Traditional tapware styling. Suitable for mounting on a basin with three tapholes (3TH).

**SHOWER  
TAPWARE SETS**

Includes a range of shower head options combined with wall mounted taps.

**WASHING MACHINE  
TAPWARE**

Match your tapware throughout your home with a range of taps for your washing machine hoses.

**WALL TOP  
ASSEMBLIES**

Wall mounted taps that can be used with a shower head or bath outlet.

# Basin Mixers and Wall Basin Mixers

- WELS 4, 5 or 6 star rated.
- Hard-wearing solid brass construction with durable chrome or matte black finish.
- Ceramic disc cartridge eliminates drips and ensures a smooth consistent flow.
- Concealed aerator for a more streamlined look.
- Ultraflex PEX hoses for superior durability.

Wall-mounted mixer tap. Designed for basins with no tapholes. Some models have dual functionality with an included unrestricted aerator for bath installation.

For controlling water flow to shower heads or bath outlets, also available with a diverter to control both.

The modern tapware option that suits basins with 0 and 1 taphole (0TH & 1TH). Popular choice for its ease of use and streamlined style. Available in standard, mid tower and tower heights.

# Sink Mixers

- Superior Cartridges - Caroma's superior quality ceramic disc cartridges provide ultimate water flow control and ensure a water-tight seal to eliminate drips, and minimise noise and product maintenance.
- European Ultraflex Pex Hoses - Ultraflex PEX hoses provide superior durability, ultimate flexibility and are free from impurities, odour or taste. Our zero failure rate simply speaks for itself.
- Premium Quality Aerators - Every aerator in every Caroma tap is specifically chosen to suit the design and functionality of the product. All our aerators deliver intelligent flow control to minimise splashing and create a comfortable stream of soft water.
- Solid Brass Construction - Caroma taps are made from a hard wearing, solid brass construction to deliver exceptional quality and added durability.

**STANDARD MIXER**

Classic and Contemporary in style.

**GOOSENECK TAP**

For those who desire a classic look in the kitchen with just a hint of flair.

# Accessories

## Key considerations when choosing your accessories

When selecting accessories, it's important to think about the bathroom's purpose, as this will dictate what is important. After a resort feel? Consider some robe hooks. Prefer to keep items in a neat fashion? Look at a soap dish, bathroom shelf, toothbrush holder or toilet brush holder.

**TOWEL RINGS**

Handy for that hand towel or wash cloth to be hung next to a basin.

**SOAP DISHES**

Either in dish (metal or acrylic) or basket style.

**ROBE HOOKS**

Small and versatile. Choose one or many. Great to hang anything from a robe, towels, hand towels or even a loofah.

**TOILET ROLL HOLDERS**

Most frequently used accessory in the bathroom. The right Toilet Roll Holder can add finishing touches to the toilet space, even the out-house.

**BATHROOM SHELVES**

Use in the shower or general bathroom area. Various lengths and styles to suit. Available in glass or metal.

**TOOTHBRUSH TUMBLER HOLDER**

Ensures your toothpaste and brush are kept in order within arms reach of your basin. Option of glass or acrylic tumblers, single or double.

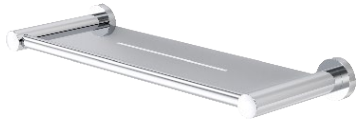

**TOWEL RAILS**

Very useful piece of organisation in the bathroom. Available in 3 general lengths of 600mm, 800mm or 900mm. Also in either a single rail or double rail option.

Jade Tapware Collection and Cosmo Black Accessory Collection

\*20 year warranty for all bathroom accessories, 1 year for all Dress ring and Pop up waste, see [www.caroma.com.au](http://www.caroma.com.au) for full warranty details

# Toilet Seats

## Choosing the right toilet seat

Before replacing a toilet seat, it's important to determine the shape, fixings and measurements of your existing pan accurately.

- Step 1.** Determine the shape of your toilet seat.
- Step 2.** Determine if you require top or bottom fixing.
- Step 3.** Measure the existing pan.
- Step 4.** Choose your replacement toilet seat.

**DURABLE PLASTIC**

**MINIMISE SEAT MOVEMENT**

**EASY SERVICE**

These are three predominant toilet seat shapes:

**O SHAPED TOILET SEAT**

**D SHAPED TOILET SEAT**

**LINK SUITE**

**FAMILY TOILET SEAT WITH GERMgard®**

# How It Works

It's as simple as 1,2,3! Follow the steps shown to purchase or order your product. If you need further advice, speak to a team member at the Special Orders Desk in-store.

## 1. Select The Product You Want

View the extensive range available in this brochure or online. Use the number shown below to order your product online or in-store.

The image shows two product listings. On the left is the 'CENTRO VANITY BASIN' with two options: 1TH (654115W) with item number #5120023, and 3TH (654135W) with item number #5120022. On the right is the 'LUNA TOILET ROLL HOLDER' with four options: Chrome (99607C) #0126250, Black (99607BL) #0327369, Brushed Brass (99607BS) #0327368, and Brushed Nickel (99607BN) #0327371. A red line labeled 'Item Number' connects the circled item numbers to the text.

Product	Option	Item Number
CENTRO VANITY BASIN	1TH 654115W	#5120023
	3TH 654135W	#5120022
LUNA TOILET ROLL HOLDER	Chrome 99607C	#0126250
	Black 99607BL	#0327369
	Brushed Brass 99607BS	#0327368
	Brushed Nickel 99607BN	#0327371

## 2. Order Online or at the Special Orders Desk

After you have selected the product you want, take this brochure to the Special Orders Desk or order online at [bunnings.com.au](http://bunnings.com.au)

## 3. Get it home

### We Will Deliver

Delivery to your home or site can be arranged online or in-store when purchasing your products.

### Pick-Up In-Store

If you decide to pick-up in-store and need help to get it home, you can:

- borrow a courtesy trailer
- hire a vehicle

Check with your local Bunnings store for availability.

Item No: 999976 V10/23
