New kid on the block: Bunnings Tauranga opens its doors to local community

Bunnings Tauranga store due to open doors to customers 17 June 2025.

Tauranga locals will soon have access to a wide range of hardware and DIY products and services at the lowest prices, as a new Bunnings store opens its doors this month.

Positioned on Cameron Street, Tauranga's main connection between the city centre and southern suburbs, Bunnings Tauranga will provide a convenient option for the local community, reducing the need to head over the bridge to Mt Maunganui.

Spanning more than 4,300 square metres, the new small-format store includes an outdoor nursery and car parking for more than 80 cars.

Bunnings Tauranga Complex Manager, Tammy Fielding, said the team can't wait to welcome customers through the doors from Tuesday 17 June.

"We are so excited to be able to offer another Bunnings store for our Tauranga community making it easier to get what you need from both sides of the bridge. Whether you're a tradie picking up supplies, homeowner tackling renovations, renter refreshing your space, or a DIY enthusiast seeking inspiration, we're confident the new store has something for everyone.

MEDIA RELEASE

“Our newest store also represents more local jobs and the opportunity for community members to become part of the Bunnings team, helping us grow together with the region we call home.”

Bunnings Tauranga is inviting the local community to join the team in store on Saturday 21 to celebrate the official grand opening of the store, with family entertainment available including a Sonic the Hedgehog meet and greet, facepainting, sausage sizzle and Kids DIY activities.

Bunnings Tauranga store is located at 1150 Cameron Road, Tauranga.
