AlfrescoPlus™

Create Your BBQ Kitchen in 3D

Release your inner designer and create your dream outdoor kitchen in 3D with our online outdoor kitchen planner.

When you have space outdoors, create your own outdoor kitchen with AlfrescoPlus™. No matter your aspirations, we've got the inspiration to help make it happen with our durable, modern and stylish modules that you can mix and match yourself.

So, make sure you have measured your space ... and you are now ready to use the software to design and plan your outdoor kitchen in 3D, in the comfort of your own home.

Once you have designed your AlfrescoPlus™ outdoor kitchen, you simply enter your details and a copy of your design, together with an estimate will be emailed to you.

It's easy as!

All you then need to do, is take your design and estimate into your nearest Bunnings Store, head to the Special Orders Desk and place your order. Or you can also order online at: www.bunnings.com.au/our-range/brands/a/alfrescoplus

You will be relaxing in your alfresco area with your brand new AlfrescoPlus™ outdoor kitchen before you know it!

Pre-packaged Flatpack AlfrescoPlus™ DIY Range

The AlfrescoPlus™ Range makes it easy to get your outdoor BBQ kitchen setup. We've done the thinking for you, packing popular colour palettes with ready to go appliances making your install from start to finish achievable by the DIYer.

The modules are all delivered in a flat pack form for easy transport.

AlfrescoPlus™ Aluminium Frame

The AlfrescoPlus™ aluminium framing system provides the backbone of our outdoor kitchens.

They harness the power of technological advances and engineering perfection, bringing together a patented cabinetry system that's unlike anything else on the market.

100% Waterproof

When combined with waterproof PVC panels, AlfrescoPlus™ aluminium extrusions join seamlessly, forming a rigid and robust cabinetry solution that is almost 4 times quicker to construct than traditional cabinetry.

We Have You Covered

Backed by our friendly customer service and guaranteed warranties. We use quality materials and offer a 15 year structural warranty for your peace of mind*. You don't need to worry about a thing.

It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly under cover. This will protect it from the elements and UV rays and generally keep it cleaner.

AlfrescoPlus™ is a registered Trademark of Sitro Group Australia Pty. Ltd. 33 - 35 Lionel Road, Mount Waverley, VIC 3149

Material and design specifications subject to change without notice. Product colour reproduction is as near to actual product colour as production methods allow. AlfrescoPlus™ products in this brochure are the subject of registered designs and patents.

STEP 1

Measure Your Space

Your AlfrescoPlus™ outdoor kitchen can be made as small or as large as you like – to suit your alfresco area and your budget. The options are limitless.

Design your outdoor kitchen using our online 3D planner at www.create.alfrescoplus.com.au or use our measurement and grid system on page 22.

Every outdoor kitchen starts with a vision.

AlfrescoPlus™

your own
OUTDOOR KITCHEN

STEP 2

Select Your Appliances

Australians love their barbecues and outdoor lifestyle. Our commitment to excellence in quality, design and both technical standards and innovation means that with AlfrescoPlus™ you can transform your outdoor space into a desirable alfresco area, perfect for entertaining. Choose your appliances for your alfresco kitchen from the extensive range at Bunnings.

STEP 3

Choose Your Cabinets

The AlfrescoPlus™ modules feature PVC panels which are impervious to water and won't crack, split or rot. And the patented aluminium frames make assembly easy for any DIYer. All modules come partially assembled, pre-packaged and flat-packed!

BBQ Modules

There is a specific BBQ module in the AlfrescoPlus™ range that will suit your preferred BBQ. Once your BBQ is sorted, choose from single or double sink modules, fridges and storage modules, including a new 3 drawer module. The possibilities are endless!

All BBQ modules come with vented modules that comply to Australian standards for LPG cylinder storage. The AlfrescoPlus™ patented Air Frame system, included with every BBQ module, provides a thermal heat and fire proof shield between the BBQ and the cabinetry. There are also vents in the fridge modules to allow plenty of air ventilation.

BLACK ONYX	APCEP2PBLK	I/N:0119438

All modules are available in all 3 colours

Refer to next page for more details.

***PLEASE NOTE: Air Frame on BBQ modules and Bench tops on single and double modules are deeper than the modules to allow for services (gas, hot and cold plumbing, electrical cords and drainage) to run behind the outdoor kitchen when assembled. The legs on each module are designed to be adjusted for levelling.**

CUSTOMISATIONS

Custom BBQ modules to suit your BBQ

Do you happen to have a different built in BBQ in mind to the various models on offer at Bunnings?

That's no issue at all. We can create Custom BBQ modules specifically designed and made to suit the size of most brands and models of built-in BBQs.

We've simplified the ordering process for you by creating two sizes of custom BBQ modules. The first, for BBQs up to 915mm wide, and the second, for those between 920mm to 1530mm wide

When you order a Custom BBQ module for your AlfrescoPlus kitchen at the Bunnings Special Orders Desk, you must also detail to them the brand and model name / number of your BBQ.

Bunnings then place the order with us for your kitchen with Custom BBQ module, and we'll take care of it from there!

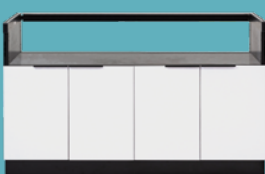

Arctic White

Custom BBQ Module & Air Frame - up to 915mm

- Up to 915mm W x 580mm D x 950mm H
- 950mm total max height including adjustable feet and Air Frame
- Air Frame: 730mm deep to allow for services*

INCLUSIONS

Benchtops, Taps, Sinks and Handles

Finish on a high! Designer Tap, Sink and Door Handle hardware to complete your outdoor kitchen.

AlfrescoPlus™ have combined high quality materials expected by the chef in all of us. Clean surfaces that are nice to touch and resistant to all BBQ cooking methods that take place over years of use.

Designed perfectly for busy gatherings, capable of creating spaces that make preparing food a pleasant experience that precedes the pleasure of sharing a meal with friends or family. These finishes represent beauty and solidity with easy, fuss free cleaning and what really matters is that you do not have to worry about scratches, stains or traces of heat. A simple wipe with a cloth is all it takes so you can spend more time entertaining.

Black Acrylic Quartz Benchtops

Resistant to scratching, virtually zero porosity and highly resistant to aggressive chemicals and high temperatures.

Mixer Tap

Our AlfrescoPlus™ Gooseneck Matte Black WELS rated Mixer Tap gives your outdoor kitchen a modern, contemporary look and feel. The outdoor kitchen mixer tap is designed for full hands, the long spout enables you to use your elbow if you need to move the spout out of the way. The 360° swivel function makes this an efficient tap for your outdoor kitchen.

AlfrescoPlus™

Single and Double Sinks

Our AlfrescoPlus™ Matte Black single and double sinks are made from premium materials for a more robust finish and design.

Single Sink

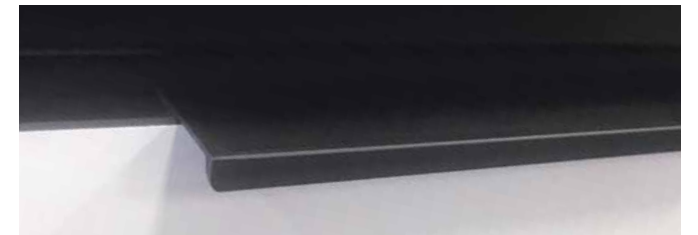

OVERALL SIZE: 450x300x200mm

Double Sink

OVERALL SIZE: 500x400x300mm

Handles

Black, ergonomic and elegant handles.

AlfrescoPlus™ storage, sink, drawer and fridge module kits

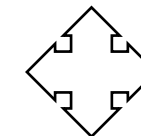

Alfrescoplus™ Pre-Designed DIY Outdoor Kitchen Range

The ultimate outdoor kitchen solution for your outdoor alfresco area.

Our fabrications are second to none making your outdoor kitchen easy to measure, design and build.

Imagine, design and create.

Easy Assembly

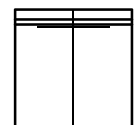

Easy to follow, step by step guides and online assembly videos, taking your DIY experience to the next level.

The modules are supplied flat-packed and are easy to transport and assemble.

Market Leading Appliances

An extensive range of market leading appliances – BBQs, Bar Fridges and a Rangehood are available – to make your dream outdoor kitchen a reality.

Modules – Flexible In Configuration

There are single and double sink, fridge, drawer and storage modules in the range.

And various sized BBQ modules to suit your selected BBQ. Your outdoor kitchen can be made as small or large as you like – depending on your area and budget.

INSTALLATION

Important Information

1. UNDER COVER – It is recommended that your AlfrescoPlus™ Outdoor Kitchen is assembled, installed and positioned wholly under cover. This will protect the unit from the elements and UV rays and generally keep it cleaner.

2. STATE AND AUSTRALIAN STANDARDS – When positioning the outdoor kitchen, it must conform to both State and Australian Standards. i.e. open ventilation and also distance to combustible surfaces. Refer to your BBQ instruction manual for more details.

3. LPG INSTALLATIONS – If you choose to run your BBQ on LPG, we've got you covered. All BBQ modules come with vented modules that comply to Australian standards for LPG cylinder storage.

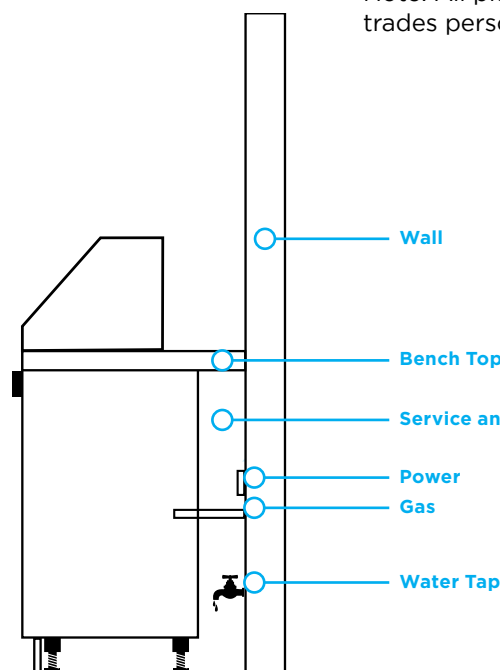

4. ALTERNATIVE BBQS – If the BBQs on offer through Bunnings do not suit your needs, or you already have a built-in BBQ that you would like to install in your AlfrescoPlus Outdoor Kitchen, we can produce Custom BBQ modules to suit most Brands & Models of built-in BBQs. Please Refer to pages 12 & 13 for more details. Alternatively, you can email us at info@alfrescoplus.com.au for further assistance.

5. CROSS SECTIONAL SIDE VIEW to show service cavity – All bench tops are deeper than the module that they sit on to allow for services – hot and cold plumbing, electrical cords and drainage – to run behind the outdoor kitchen when assembled.

The legs on each module are designed to be adjusted for levelling.

*Note: All plumbing and electrical work must be carried out by a registered trades person.

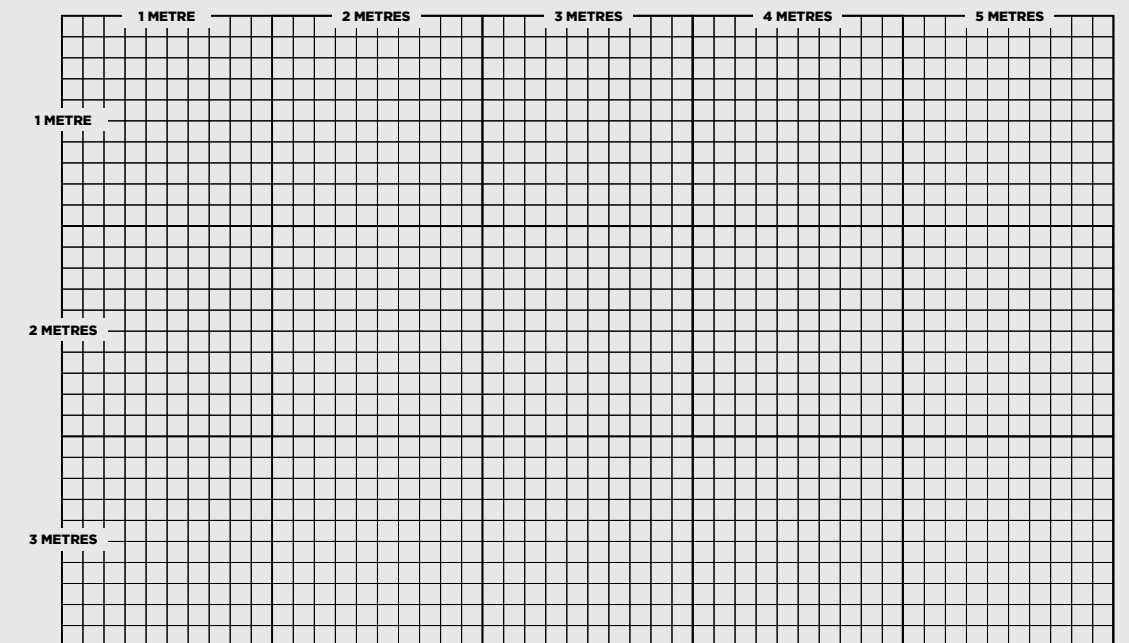

AlfrescoPlus™

Grid System

It's easy with our measurement and grid system

Start by: Measuring and marking your alfresco dimensions using this grid as a guide for the layout of your outdoor kitchen. Make sure you calculate accurate measurements of modules and end panels. Use the measurements of modules below.

3m x 5m

BBQ Modules

BBQ Module 895mm
895mm W x 730mm D

BBQ Module 915mm
915mm W x 730mm D

BBQ Module 925mm
925mm W x 730mm D

BBQ Module 1060mm
1060mm W x 730mm D

BBQ Module 1095mm
1095mm W x 730mm D

BBQ Module 1165mm
1165mm W x 730mm D

BBQ Module 1530mm
1530mm W x 730mm D

Single Modules

Single 3 Drawer Module
550mm W x 730mm D

Single Storage Module
550mm W x 730mm D

Single Sink Module
550mm W x 730mm D

Single Fridge Module
550mm W x 730mm D

Double Modules

Double Storage Module
960mm W x 730mm D

Double Sink Module
960mm W x 730mm D

Double Fridge Module
960mm W x 730mm D

End Panels

Don't forget your x2 end panels – these are the easiest components to forget when designing an outdoor kitchen but are necessary to really finish off your kitchen.

End Panels 22mm W x 730mm D

How It Works

It's as simple as 1,2,3! Follow the steps shown to purchase or order your product. If you need further advice, speak to a team member at the Special Orders Desk in-store.

1. Select The Product You Want

View the extensive range available in this brochure or online. Use the number shown below to order your product online or in-store.

2. Order Online or at the Special Orders Desk

After you have selected the product you want, take this brochure to the Special Orders Desk or order online at bunnings.com.au

3. Get It Home

We Will Deliver

Delivery to your home or site can be arranged online or in-store when purchasing your products.

Pick-Up In-Store

If you decide to pick-up in-store and need help to get it home, you can:

- borrow a courtesy trailer
- hire a vehicle

Check with your local Bunnings store for availability.
