

CARBON MONOXIDE ALARM

DIGITAL DISPLAY WITH SEALED BATTERY

Worry-Free

Worry-Free™ range

The Quell® Worry-Free™ range of smoke alarms provide a total smoke alarm solution for the home.

Each smoke detector is location specific, offering protection for bedrooms, living areas, kitchens and hallways.

Protect your family

House fires develop in different ways and are often unpredictable. As smoke alarms have sensing limitations, it is recommended that both ionisation and photoelectric smoke alarms be installed to provide maximum detection of the various types of fires that can occur within the home. Ionisation sensing alarms may detect invisible fire particles (associated with fast flaming fires) sooner than photoelectric alarms. Photoelectric sensing alarms may detect visible fire particles (associated with slow smouldering fires) sooner than ionisation alarms.

Quell Worry-Free carbon monoxide alarms are easy to install and suitable for all living areas.

Please refer to the user manual prior to installing any smoke alarm.

Features and benefits

- Sealed-In lithium battery**
 Maintenance and hassle free with prevention from tampering and removal. The alarm is always on, with no battery replacement required for the 10 year life-span of the alarm
- Peak level memory**
 Displays the highest CO concentrate measured since the last reset
- Self activation**
 Alarm automatically activates when attached to the mounting bracket
- Test/Reset button**
 Tests the alarm circuitry and horn. Resets memory after the alarm has sounded
- LED indicators**
 Flashing green LED every 30 seconds indicates the unit is operating properly.
 Pulsing red LED with alarm indicates a dangerous level of carbon monoxide has been detected.
 Amber LED indicates the unit is in fault mode.
- Deactivation switch**
 Disables the alarm to allow for safe battery disposal once the unit has reached the end of its 10-year life
- 10 year limited warranty**
 Provides peace-of-mind with a decade of carbon monoxide detection

CARBON MONOXIDE ALARM

DIGITAL DISPLAY WITH SEALED BATTERY

Product Specifications

Product Code	132845
Model Number	10LLDCO
Power Source	Sealed lithium battery
Smoke Sensor	Electrochemical
Audio Alarm	85+ dB at 3 metres
Size (D x W x H)	50 mm x 195 mm x 290 mm
Weight	0.10 kg
Interconnects	No
Temperature	Operating range: 0°C to 40°C
Humidity	Operating range: Up to 90% relative humidity (RH) non-condensing
Warranty	10 year limited warranty
