CHRISTMAS

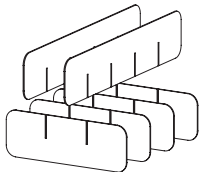

31L / 32.8Qt Ornamental Storage Box

Assembly instructions

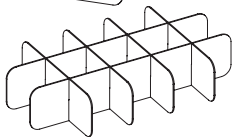

Step 1

Pull the shrink wrapped cardboard dividers out of the base of the tub.

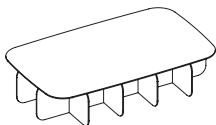

Step 2

Assemble the 1st level by inserting the panels together as per image.

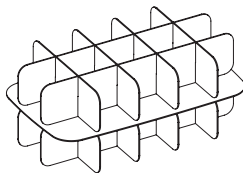

Insert into tub and place your ornaments/baubles into cavities.

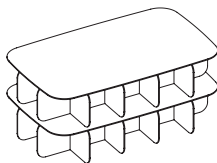

Step 3

Add a 2nd level floor panel on top of first level as per image.

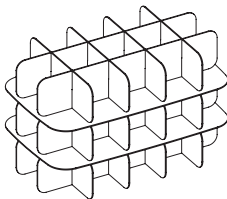

Step 4

Build the 2nd level the same as step 2. Place on top of the 2nd level floor.

Step 5

Add a 3rd level floor panel on the top of 2nd level as per image.

Step 6

Build 3rd level same as step 2. Place on top of 3rd level floor. Insert into tub and place your ornaments/baubles into cavities.
