

DeWALT COMBO KIT INSTORE BATTERY BONUS OFFER

Terms and Conditions

1. This offer is for thirteen days only (**Tuesday 6th of May to Sunday 18th of May**) and is only available on **purchases in store at Bunnings Warehouses in Australia (subject to stock availability)**.
2. Marketplace purchases, Tool Kit Depot purchases and purchases online are excluded.
3. Customers that purchase a Qualifying Kit will be eligible for Designated Batteries as set out in these terms and conditions. The number and type of Designated Batteries a customer qualifies for depends on the Qualifying Kit purchased as outlined in Tables 1A and 1B:
 - a. **Table 1A:** Customers that purchase a Qualifying Kit listed in Table 1A will qualify for **2 Designated Batteries**.
 - b. **Table 1B:** Customers that purchase a Qualifying Kit listed in Table 1B will qualify for **3 Designated Batteries**.

Subject to clause 4, the Designated Batteries that customers can receive are detailed in Tables 2A and 2B. Bunnings, at its sole discretion, can select any combination of batteries listed in the applicable table for each battery type, provided the correct quantity and type are given to the customer as stated in Tables 1A and 1B. Specifically:

- a. **Table 2A:** Lists the DeWALT 18VXR 5AH batteries available.
 - b. **Table 2B:** Lists the DeWALT 18V/54V FLEXVOLT 6AH batteries available.
4. Bunnings reserves the right at any time, solely at its discretion, to offer the customer a substitute battery of equivalent or higher retail value if a Designated Battery is not available.
 5. Purchases of individual batteries and chargers' kits do not qualify for this offer.
 6. The Qualifying Kits and Designated Batteries must be purchased in the same single transaction.
 7. To facilitate this offer, Bunnings team member will charge customers \$0.01 per Designated Battery with the purchase of a Qualifying Kit. However, in the same transaction a Qualifying Kit must be reduced in price to the value charged for the Designated Batteries. (Example: Customer selects a Dewalt 8-piece kit (0636633) with a retail value of \$1,999 and requests to claim the instore bonus of three 18V 5Ah 18V batteries. The customer will be charged \$0.03. in total for the three 18V 5AH batteries but the Dewalt 8-Piece kit will be reduced from \$1999 to \$1998.97. In total, the customer will pay \$1,999 to finalise the purchase).
 8. Customers can still qualify for Designated Batteries if they are purchasing a Qualifying Kit with PowerPass discount or scanning their Flybys or One pass membership.
 9. Where Qualifying Kits are marked down or are eligible for the application of Bunnings' price guarantee, the marked down price will be applied for the offer but does not impact the eligibility of qualifying for the Designated Batteries.
 10. This offer is not transferable, cannot be re-sold and cannot be taken as cash.
 11. This offer is not valid with any other Bunnings redemption offer.
 12. Subject to the statutory consumer guarantees as provided under the Competition and Consumer Act, if a customer returns for 'change of mind' reasons a Qualifying Kit which it purchased as part of this offer, the Designated Batteries received in the same transaction must also be returned.
 13. If this offer is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of Bunnings, Bunnings reserves the right (acting reasonably) to modify, suspend, terminate or cancel the offer, as appropriate in the circumstances.
 14. Nothing in these Terms and Conditions limits, excludes, or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Competition and Consumer Act, as well as any other implied warranties that are incapable of being excluded (Non-Excludable Guarantees). Except for any liability that cannot be excluded, including the Non-Excludable Guarantees, Bunnings (including respective officers, employees and agents) excludes all liability (including negligence) for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special, or consequential, arising in any way out of this offer.
 15. The laws of Victoria, Australia apply to these Terms and Conditions. Participants submit to the non-exclusive jurisdiction of the courts of Victoria

How long is the offer running?

The offer will only be available from Tuesday 6th of May 2025 until Sunday 18th of May 2025 (14 days in total and subject to stock availability)

Does the customer still get a PowerPass discount on the qualifying kit purchased as part of this offer?

Yes, customers are still eligible for a Powerpass discount when they purchase a Qualifying Kit if they are a PowerPass member.

Can customers purchase a Qualifying Kits online to qualify for Bonus Batteries?

No, this is an in-store only offer.

Can a Customer purchase a combination of Dewalt qualifying 18V Kits?

Yes providing it is in the same transaction, customers can purchase multiple of the Qualifying Kits and qualify for the relevant number of Designated Batteries as set out in Tables 1A and 1B of the Terms and Conditions.

Can customers purchase a Qualifying Kit that is ranged via Customer Special Orders and still qualify for the Designated Batteries?

Yes, customers can purchase a Qualifying Kit via special order and qualify for Designated Batteries as set out in the Terms and Conditions if they meet the following criteria:

1. They are one of the Qualifying Kits eligible for this offer.
2. The transaction must be paid in full and completed within the offer period of 6th of May until the 18th of May.
3. The Qualifying Kit and Designated Batteries must be processed in the same transaction.
4. The Qualifying Kit and Designated batteries are collected in store.

-

If a customer purchases a Qualifying Kit and qualified for Designated Batteries are they still eligible to claim a supplier redemption offer on that kit if it has a redemption offer available?

Yes, the redemption offer is provided by the Power Tool Supplier directly to the customer and is separate to this offer that is being provided by Bunnings.

If a customer purchases a kit the same as a Qualifying Kit at Tool Kit Depot can they qualify for the Designated Batteries or batteries the same as the Designated Batteries at Tool Kit Depot?

No, this offer is only available in Bunning Stores and is not available at Tool Kit Depot stores.

What is the maximum number of Designated Batteries a customer can receive per Qualifying Kit purchased in one transaction?

The maximum number of Designated Batteries will depend on the Qualifying Kit purchased in the one transaction. Some Qualifying Kits will qualify for **2 Designated Batteries**. Other Qualifying Kits will qualify for **3 Designated Batteries**. Please see Table 1A and Table 1B under Qualifying Kits in the Terms and Conditions for further details.

Can customers change the Designated Battery to another battery size such as a 4Ah battery or a 8Ah battery?

No, the Designated Batteries are only available as part of this offer unless a substitute is given due to stock issues that is equivalent or greater retail value at the discretion of Bunnings store team members.
