## SAFETY PRECAUTIONS

- » If the speaker become hot during use or charging, unplug and stop using them immediately.
- » Charge on a flat, dry surface, away from flammable materials.
- » Unplug the speaker once fully charged to prevent overheating.
- » Keep away from moisture, dust and extreme heat.
- » Clean with a soft, dry cloth. Avoid harsh chemicals.
- » Do not disassemble.
- » Follow your local laws for proper disposal and battery recycling; avoid putting it in kerbside bins.

## TROUBLESHOOTING

### Speaker Won't Turn On:

- » Charge the battery.

### No Sound:

- » Check volume level on speaker and connected device.
- » Check Bluetooth connection.

### Bluetooth Pairing Issues:

- » Keep the speaker next to your device during pairing.
- » Ensure the speaker is in pairing mode. Turn off and on again to switch to pairing mode.
- » If the speaker is paired to another device, disconnect before connecting to your device.
- » If the speaker's Bluetooth name is not found, refresh or search again. Wait up to 1 minute for device to appear.

### TWS Pairing Issues:

- » Ensure both speakers are not paired with any device.
