When you're tackling a job that needs extra holding power, the VELCRO® Brand Heavy Duty range is the perfect choice. Our Heavy Duty Strips and Tapes are ideal for connecting, storing and hanging tools, equipment, wall art and lots of other common items that need to be secured in the home or shed.

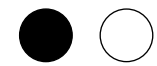

Our Heavy Duty range of tapes and strips offers significantly more holding power than everyday VELCRO® Brand fasteners. They are suitable for use on most smooth surfaces including plastics, painted wallboards, glass and metal. Plus, the VELCRO® Brand Extreme Strength range will adhere to rough surfaces including concrete and certain types of brick, which means you can secure and hang items on outside walls, floors and more.
