

FITTING TO POSTS - SCREENING

1. Use ProtectorAI Multi-Purpose In-ground (2400mm) or Flanged (1900mm) Posts.

» Fix to posts using suitable screws and screen brackets.

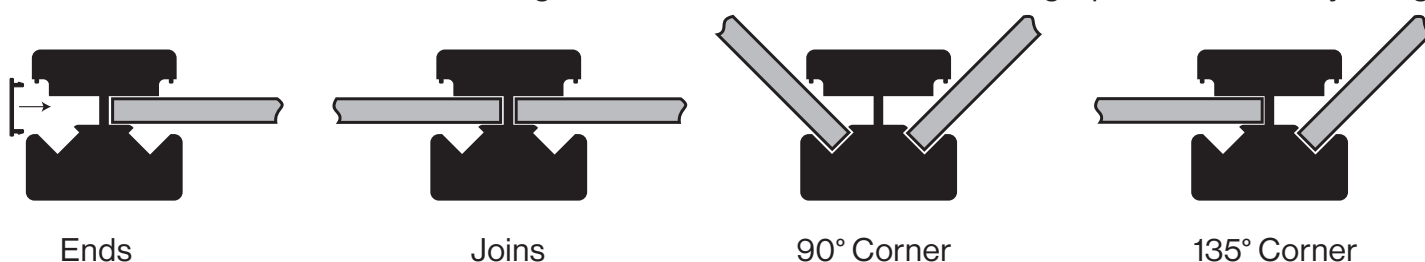

» Use 2 brackets per side.

Tip: You will find ProtectorAI Screen Brackets (4 pack) in the ProtectorAI Fencing aisle at your local Bunnings Warehouse.

2. MULTI-ANGLE POST

Use ProtectorAI Decorative Screen In-ground (2400mm) Post with multi-angle post slots for easy fitting.

IMPORTANT: SCREENS SHOULD BE POSITIONED A MINIMUM OF 600MM FROM ALL HEAT EMITTING SOURCES IN A VENTILATED AREA.

FITTING TO WALLS - DECORATIVE

Use ProtectorAI Decorative Screens Stand-off Brackets to fix screens as a stand-off feature.
