

TRANSPARENT CASTORS

UP TO
90kg
LOAD CAPACITY

Transparent castors are a modern decorative option to complete your DIY projects. They're made from high quality polycarbonate that lasts 5x longer than rubber. With low overall load capacity these castors are suitable for light duty and DIY projects.

Product Code	Castor Type	Wheel Diameter (mm)	Tread Width (mm)	Wheel Material	Bearing Type	Load Capacity (kg)	Finished Height (mm)	Fitting Type
