

MIMOSA®

Cordoba Charcoal 3 Seater Lounge
Installation Guide

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every receipt, invoice, and bill should be properly filed and indexed for easy retrieval. This not only helps in tracking expenses but also ensures compliance with tax regulations.

In the second section, the author provides a detailed breakdown of the company's financial performance over the past year. This includes a comparison of actual results against budgeted figures, highlighting areas of both success and concern. The analysis covers various departments, from sales and marketing to operations and R&D.

The third section focuses on the company's strategic initiatives and future outlook. It outlines the key goals for the upcoming year and the strategies being implemented to achieve them. This includes plans for market expansion, product development, and operational improvements.

Finally, the document concludes with a summary of the overall financial health and a call to action for all employees to continue working towards the company's long-term success. It expresses confidence in the team's ability to overcome challenges and reach their full potential.

Cordoba Charcoal 3 Seater Lounge

POWDER COATED ALUMINIUM FRAME

ITEM NO. : 0583681

4.

**Please carefully read the below warnings and instructions.
Save the instructions for future reference.**

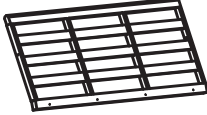

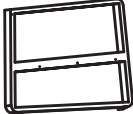

- Please carefully read all instructions before assembly and use.
- Please separate and identify all parts, ensuring that you have all parts listed.
- Assembly to be carried out by a competent adult.
- During assembly children should be kept away from the product due to possible risk of injury, small parts, and sharp fittings.
- Do NOT use power tools to assemble the product.
- Don't tight all the bolts before the product is fully assembled. Be careful not to over tighten the nuts during assembly.
- Please check the fixings are all tight monthly.

Recommendation

- It would be useful to ask someone to help you assemble the product.
- Retain these instructions for future reference.
- This product is not suitable for extreme weather conditions. Do NOT use in extreme weather condition such as thunderstorm, hailstone, heavy rain, high wind or heavy snow, etc. Warranty claims due to weather events won't be taken into account.
- This piece of furniture has been produced under the best possible conditions and care. However we advise you during constructing or breaking down of this piece of furniture to be aware of sharp metal.
- This product is designed for occasional use only. Do not use as a permanent structure. If no use for long time, dismantle and store safely to prevent any damage occurring.
- You must take into account that fabric may be discolored under the exposure of sunshine. This change is a natural cause, and it is not a factor for claim. It is recommended to replace the fabric every 1 or 2 years.
- To extend the life of your cushion, product should be stored in a dry and ventilated place when not in use and especially over the winter months or during rainy condition. If this is not possible, we advise you to always use a protective waterproof cover when not using the furniture.
- The maximum weight / load of this product is 300kg.
- Wipe clean with damp cloth only using detergent & lukewarm water.
