

Grout Cleaning Brush

20842

COMFORTABLE

Specially designed handle design provides control and leverage

MULTIPURPOSE

Can be used for cleaning jobs at home, patio, garage, car, camper, boat, motorcycle or trailer

DURABLE
Angled nylon bristles effectively remove grime

HELPS REMOVE MOLD, MILDEW, SCUM, DIRT, AND GREASE THAT CAUSE BUILDUP ON THE GROUT LINES

GREAT FOR ALL GROUT WIDTHS

Not recommended for use immediately after tile installation

The QEP® Grout and Tile Brush is designed to remove unwanted buildup from tiles and grout lines. It features nylon bristles that work on all grout joint widths and a comfortable handle with a thumb rest to improve leverage and reduce fatigue. On the opposite side of the bristles, a square edge can be used for scraping when you turn the brush over. This brush performs great on grout and tile, and hard surfaces like concrete. Multipurpose, it can be used for cleaning jobs at home, patio, garage, car, camper, boat, motorcycle or trailer.
