

DRICLAD POOL RANGE

2021

Still creating generations of backyard enjoyment

Like backyard cricket, and a BBQ with friends, a dip in a Driclad pool has been part of the great Aussie Summer for generations. For over 50 years Driclad pools have become the centrepiece in the backyard of over 250,000 Australian homes. Driclad Pools are now more popular than ever.

One of our pools can create your own family resort, at a fraction of the cost, in days rather than weeks.

“We purchased our Driclad pool in 1986, now 34 years later, that same pool entertains our 7 grandchildren who visit us weekly in summer. As a family, it still is the best purchase we ever made. “

SHOAL BAY

POOL RANGE

Designed and manufactured in Australia, the Shoal Bay Pool displays sleek new resin components and provides a contemporary look for your backyard oasis.

Using high quality materials, it features durable resin decks and uprights along with 5 models, exclusive to Bunnings.

This state-of-the-art, braceless pool design provides superior structural strength and rigidity while still remaining aesthetically appealing.

Made in Melbourne Australia with sturdy resin posts and uprights, its robust construction is designed to suit all weather conditions in every part of the country. Our Shoal Bay pool range features round and oval with a size and shape to suit your needs.

Features & Benefits

- Salt water or fresh water use.
- Round or oval shapes.
- Resin decks, made from anti-corrosion material
- Resin top and bottom rails
- Bluescope steel walls with superior zinc coating
- Narrow width oval models available (2.85 metres) to suit smaller backyards
- A Driclad Pool makes installation a breeze!
