

Warranty Statement

Sustainable Irrigation will back our product for manufacturing and material defects, for a period of 5 years as long as the product is installed and maintained correctly.

This warranty is for material replacement only.

Drip pipe used inside SISS is covered by the relevant drip pipe manufacturer's warranty. This can be supplied upon request.

Where SISS is not used in accordance with Sustainable Irrigation's installation and maintenance instructions, warranty will be void.

Other fittings and products sourced and sold by sustainable irrigation will be covered by their manufacturer's warranty.

Where a defect in a SISS product is identified during the applicable warranty period, Sustainable Irrigation will repair or replace the product or a defective part, at its sole discretion.
