X-CORE™ Pinless Impact Tools

Pinless Impact Universal-Joints, Sockets, and Extensions

X-CORE
PINLESS

LIFETIME
WARRANTY

Longer life. Better access.

Compared to even the best pinned impacts, X-CORE™ Pinless impact tools deliver far greater durability and superior access. The exclusive four-lug ball-and-socket design of these GEARWRENCH universal-joints, sockets, and extensions provides the long-lasting strength and capability needed to take on the toughest automotive and industrial applications.

When durability is key, the choice is clear.
GEARWRENCH X-CORE™ PINLESS.

X-CORE™ Pinless Impact Universal-Joints

- X-CORE Pinless joint for strength and durability
- 4X more durable than pinned products
- 30-degree maximum flex angle
- Smooth 360-degree rotation
- Meets or exceeds ASME requirements
- Hard stamped size and sku markings
- Reduced-diameter socket base for easy gripping

- Ball-detent socket retention
- Made from Chrome Molybdenum for strength and durability
- Black Oxide coating for corrosion resistance
- High-visibility laser-etched markings provide quick size identification

SKU #	Drive Size	Description
84180	1/4" x 1/4"	X-CORE Pinless Impact Universal-Joint
84440	3/8" x 3/8"	X-CORE Pinless Impact Universal-Joint
84715	1/2" x 1/2"	X-CORE Pinless Impact Universal-Joint
84960	1/4", 3/8", 1/2"	3 Pc. X-CORE Pinless Impact Universal-Joint Set

X-CORE™ Pinless Universal Impact Sockets

• Off-Corner Loading technology virtually eliminates the rounding of fasteners

• High-visibility laser-etched markings provide quick size identification

• X-CORE Pinless joint design for strength and durability

• 30-degree maximum operating angle for greater access

• Smooth 360-degree rotation

• Made from Chrome Molybdenum for strength and durability

• Black Oxide coating for corrosion resistance

• Hard stamped size and SKU markings
