

### FITTING TO POSTS - SCREENING

1. Use ProtectorAl Multi-Purpose In-ground (2400mm) and Flanged (1900mm) Posts.

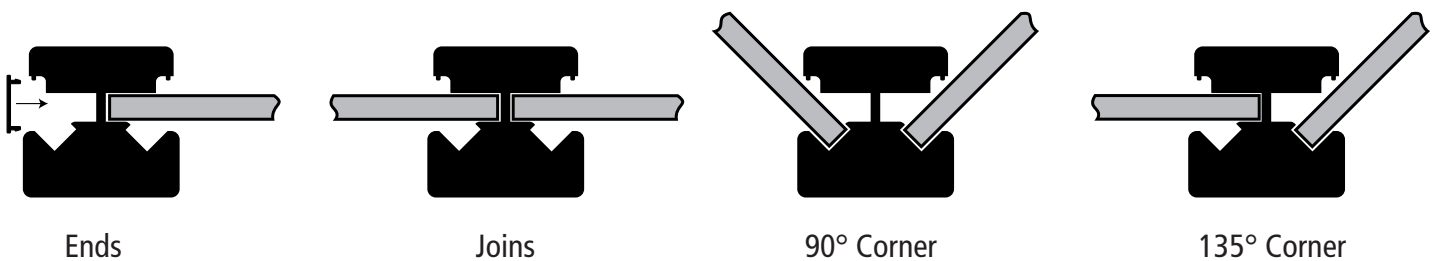

- » Fix to posts using suitable screws and screen brackets.
- » Use 2 brackets per side.

Tip: You will find ProtectorAl Screen Brackets (4 pack) in the ProtectorAl Fencing aisle at your local Bunnings Warehouse.

2. Use ProtectorAl Decorative Screen In-ground (2400mm) Post with multi-angle post slots for easy fitting

Important: Screens should be positioned a minimum of 600mm from all heat emitting sources in a ventilated area.

### FITTING TO WALLS - DECORATIVE

Use ProtectorAl Decorative Screens Stand-off Brackets to fix screens as a stand-off feature.
