

# Fold Down Clothes Lines

## A large range to suit any requirement

Austral's Fold Downs have more line space for greater drying flexibility. The range offers a variety of lengths and depths and when closed, have 6-8cm side profiles. Fold Downs have bent tubular steel front corners for strength and reliability.

### Features and Benefits

Pre-assembled side arms

BlueScope® Galvabond® Steel

9 models to choose from

Easy DIY installation

Length easily reduced

Patented Tension Lock

### Colours

- ☐ Surfmist
- ☐ Classic Cream
- ☐ Dune
- ☐ Woodland Grey
- ☐ Monument

COLORBOND® steel and  
® colour names and ™ colour  
names are trademarks of  
BlueScope® Steel Limited.  
Not all products are available in  
all colours (see individual product  
information for colours available).

### Mounting Options

#### Fold Down Wall Mounts

Patented Tension Lock.

No structural plastic components.

#### Masonry and timber fixings supplied:

4x 14g (Ø6.3mm) x 50mm screws  
and 4 x 8mm wall plugs.

#### Required for masonry:

Safety glasses, hammer drill and  
8mm masonry bit.

**For timber:** Drill and 4mm bit.

#### Materials required:

Phillips screwdriver or bit, spirit level,  
tape measure, knife and pencil.

#### Reduce Fold Down length:

Grinder or hacksaw and safety glasses.

Fold Downs may be reduced in length to fit  
a smaller space. Please refer to Installation  
Instructions.

*Please seek advice if fixing to alternative  
surfaces.*

#### Fold Down Ground Mount Kits

Available in 3.3m, 2.4m and 1.3m lengths  
in standard and plated post options (for  
hard surface fixing).

The posts are multi punched to allow  
flexible height adjustment for Fold Downs.

#### Ground Mount Kits (for soil installations):

Standard Ground Mount Kits include  
2 posts, back bar and post fittings.

#### Ground Mount Kits Plated (for hard surface installations):

Plated Ground Mount Kits include 2 plated  
posts, back bar and upper post fittings.

6mm Plates are welded onto base of  
Posts prior to powder coating.

*Please refer to pages 15-16 for included  
and required fixings, tools and materials.*
