

EVERHARD DOMESTIC SURFACE WATER DRAINAGE SYSTEM

Available at
BUNNINGS
warehouse

Visit everhard.com.au/install to view the EasyDRAIN™ installation video

- ✓ EasyDRAIN™ comes complete with various grate options
- ✓ 1 metre lengths easily join together and with other components by simply clicking together
- ✓ Black polymer grate and channel made from tough, recycled UV stabilised polymer
- ✓ Comes in 100mm profile to capture larger volume of water flow or 80mm profile for easy installation
- ✓ 200mm paver-length segments moulded into channel allows for easy cutting and rejoining with use of a converter
- ✓ Connects to 75mm, 90mm and 100mm pvc pipe
- ✓ Anti-flotation design eliminates the need for reinforcement
- ✓ Available with a range of Polymer and Steel grates

EasyDRAIN™ COMPACT

Our EasyDRAIN™ COMPACT system has a shallow 80mm profile, making it ideal for low rainfall and low water flow areas
