## **Bunnings set to open new Mirrabooka warehouse in WA just in time for summer; the DIY season**

Bunnings will officially open the doors to its brand-new Mirrabooka store in Western Australia on Friday 12 December, bringing a larger, more modern warehouse to the local community.

Located at 501 Alexander Drive, the new warehouse spans more than 16,000 sqm of retail space, offering customers a wide range of products at the lowest prices. The store features convenient trade drive-through lanes, an expanded nursery, a café and upgraded traffic solutions that support more efficient store deliveries.

Sustainability has been a key focus in the design and construction of the Mirrabooka site, which is about 11 kilometres north of the Perth CBD. The building incorporates the latest construction techniques to support energy efficiency, a 140,000-litre inground water storage system that supplies the nursery and toilets, high-efficiency HVAC systems, LED lighting throughout and a 360kW rooftop solar system that reduces reliance on grid energy.

Bunnings Mirrabooka Complex Manager, Shayne Brown, said the team is looking forward to welcoming customers to the new store.

"We're really proud to be opening Bunnings Mirrabooka. The warehouse is designed to give our commercial and retail customers a better shopping experience, whether they're picking up something for a quick project item or working on something more ambitious.

"In the lead up to opening, the team has been busy out in the community, helping to refresh garden beds and building a shed at The Learning Sanctuary Community Centre in Girrawheen and installing a new kitchen at Hudson Primary School. It's been a great way to get to know our neighbours before opening day," he said.

To celebrate the launch, Bunnings Mirrabooka will host a Grand Opening Weekend on Saturday 17 and Sunday 18 January, featuring family-friendly entertainment, activities and giveaways.
