everything you need

Meaning 'exact' in Italian, Esatto was created to provide appliances with all of the functions you require but without the fuss. This in turn results in great value products doing exactly everything you need!

Built from the highest quality components, the products are configured by a tailored selection of the world's leading specialised manufacturers. Furthermore, each and every product in the Esatto range is hand inspected and tested by a leading global independent quality assurance team, ensuring that the Esatto quality promise is firmly met. Every Esatto product from Bunnings comes a 2 year warranty as standard, register online within 90 days from date of purchase and receive extra 1 year for free!

Don't just take our word for it, with over 8,000* reviews and an average rating of 4.5/5, we know our customers love our products!

* Standard warranty is 2 years. Register online at www.esatto.house/warranty within 90 days from date of purchase to receive an extra 1 year for free.

Our range of **ovens** are designed for the modern Australian family. With an impressive gross capacity of 80L, the 60cm models are big enough to cook a family roast with multiple trays, while the XXL 129L 90cm is ideal for larger families or entertainers. Finished in black optical glass with modern slimline knobs and an aluminium handle, the range is both modern and timeless, suiting a variety of kitchen designs.

Scan the QR codes to learn more about the products and to view installation details or user manuals.

Full-sized
60cm Height

I/N: 0394882

Finished in a classic stainless steel or a striking black glass, our range of **gas cooktops** feature heavy duty cast iron trivets, wok burners and Italian made burners. The range is truly designed for the modern Australian family, with specifications that enable any type of cuisine to be cooked up in a flash while suiting any kitchen design.

60cm Gas Cooktop
ECG604WS

- 4 burners (1 wok burner)
- Stainless steel finish
- Cast iron trivets (inc. wok trivet)
- Flame failure safety device
- Italian made burners
- Set for natural gas (inc. LPG Conversion kit)

I/N: 0394884

90cm Gas Cooktop
ECG905WS

- 5 burners (1 wok burner)
- Stainless steel finish
- Cast iron trivets (inc. wok trivet)
- Flame failure safety device
- Italian made burners
- Set for natural gas (inc. LPG Conversion kit)

I/N: 0394833

60cm Gas on Glass Cooktop
ECGG604W

- 4 burners (1 wok burner)
- Gas on toughened glass
- Cast iron trivets (inc. wok trivet)
- Flame failure safety device

- Set for natural gas (inc. LPG Conversion kit)

I/N: 0394821

90cm Gas on Glass Cooktop
ECGG905W

- 5 burners (1 wok burner)
- Gas on toughened glass
- Cast iron trivets (inc. wok trivet)
- Flame failure safety device
- Italian made burners
- Set for natural gas (inc. LPG Conversion kit)

I/N: 0394832

Easy-slide Safety

Large pots full of liquid are heavy and moving them to different burners can be dangerous. All Esatto gas cooktops feature trivet designs that allow for easy-sliding.

Italian Burners

Confidently create all of your favourite family meals with the power of Italian made Sabaf burners.

Toughened Glass

The toughened tempered black glass provides durability & strength while offering a contemporary aesthetic that is easy to clean.

Our range of **ceramic cooktops** have been designed with simplicity, longevity & safety in mind. Featuring durable ceramic glass, high speed elements, auto-safety switch off & residual heat indicators with modern designs. **Induction cooktops** bring a level of precision, speed & efficiency that gas or ceramic simply cannot match. Due to this, they are becoming the cooktop of choice in the world's best restaurants.

Scan the QR codes to learn more about the products and to view installation details or user manuals.

Powerful & Efficient

The powerful ribbon elements in our range heat up quickly, creating an even distribution of heat across the zone.

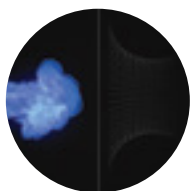

Durable Ceramic Glass

The durable ceramic glass provides strength while offering a contemporary aesthetic that is easy to clean.

Induction Efficiencies

Induction cooking is highly efficient because very little heat energy escapes during the process, resulting in saving your time & energy.

60cm Ceramic Cooktop with Knob Controls
ECC604K

- 4 cooking zones
- Side knob control operation
- Residual heat indicators
- Auto safety switch off
- 9 power levels

I/N: 0394818

90cm Ceramic Cooktop with Touch Controls
ECC905T

- 5 cooking zones (inc. 2 extendable)
- Residual heat indicators
- 9 power levels
- Auto safety switch off
- 99 min zone timer

I/N: 0394846

Flexibility=Efficiency

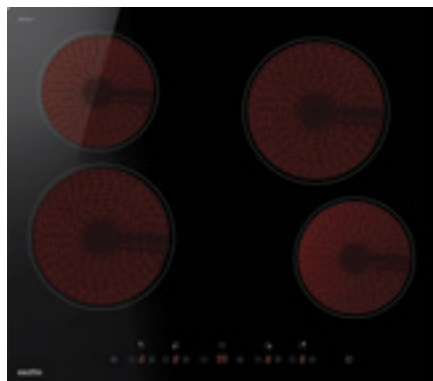

Extendable zones allow you to cook with a wider range of cookware sizes, giving you flexibility with your dishes & ensuring energy efficiency.

60cm Ceramic Cooktop with Touch Controls
ECC604T

- 4 cooking zones
- Residual heat indicators
- 9 power levels
- Auto safety switch off
- 99 min zone timer

I/N: 0394831

60cm Induction Cooktop with Touch Controls
ECI604T

- 4 zones with 9 stage power levels
- Zone timer
- Child lock + Automatic safety switch off
- Residual heat indicators
- Power phasing
- 10 Amp plug connection

I/N: 0394823

10Amp Power Phasing

The intelligent 10 Amp power phasing allows you to simply plug in your ECI604T cooktop & get cooking. The system will manage the power between the zones, depending on how many are in use.

Designed for any kitchen or cooking style, our **rangehoods** offer powerful extraction, various speed settings & either aluminium or stainless steel filters. The collection confidently captures cooking odours & steam whilst adding style to your kitchen.

Designed with practicality in mind, **slide-out rangehoods** extend over the entire cooking area when required. Once you finish cooking, you can slide them back out of sight.

60cm Fixed Rangehood
White
ERF60W

- 300m³/hr extraction
- 3 speed settings
- 2 x 1.5 LED lights
- 2 x 5 layer aluminium grease filter
- Push button controls
- Noise: 62dBA

I/N: 0394896

- Aluminium grease filter
- 2 x 0.5W LED lights
- Stainless steel fascia
- Switch button controls
- 2 speeds settings
- Ducted-only installation
- Noise: 62dBA

I/N: 0394845

Undermount rangehoods offer the least amount of visual impact to your kitchen design, being almost fully integrated. They have greater motor performance compared to a slide-out too, and as they do not extend or retract, they have a large filter which effectively cleans the air.

Scan the QR codes to learn more about the products and to view installation details or user manuals.

**52cm Undermount Rangehood
Stainless Steel**

ERU52S

- 500m³/hr extraction
