WARRANTY SERVICE

Warranty Service under both the Express Warranty and the warranties implied by law is available at any Authorised Service Centre. These centres are staffed and equipped to provide expert service.

EXPRESS WARRANTY

The Express Warranty is additional to the conditions and warranties which are mandatorily implied by the laws and regulations of the Competition and Consume Act 2010 in Australia and the Consumer Guarantees Act in New Zealand and any non-excludable laws.

Under Express Warranty the product is warranted from the date of purchase against mechanical defects and faulty workmanship or material. Express Warranty covers only the replacement, repair or adjustment of parts which fail due to a fault in manufacture. Defective parts will be replaced or serviced by an Authorised Briggs & Stratton representative without charge for labour or materials, subject to conditions. Repairs or adjustments required by normal use or by failure to follow the manufacturer's instructions are chargeable to the owner. Service Representatives or agents are authorised to determine whether a claim will be covered under warranty, or payable by the owner on completion.

You should seek independent legal advice to determine whether a claim not covered by the Express Warranty is covered by any warranties implied by law.
