VELCRO® GENERAL PURPOSE RANGE

If you're looking for a simple and effective way to attach, connect, hang, organise or secure items, our range of VELCRO® Brand Stick On Tapes & Dots and Thin Clear fasteners are the ideal choice. Available in a variety of shapes to suit both large and small projects, they are perfect for the many craft, decorating and organising tasks that regularly pop up at home, school or in the workplace.

Fast and Easy to Use on Smooth Surfaces

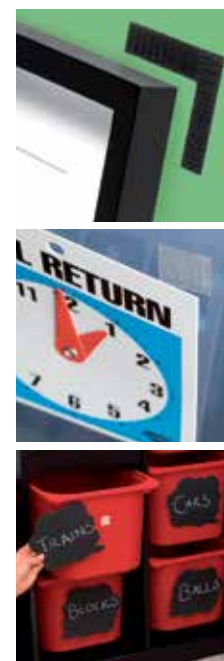

Our fasteners are a mess-free alternative to nails, screws, glues and tapes, and suit a wide range of everyday applications. VELCRO® Brand products adhere to smooth surfaces including walls, glass and plastic, and require no hammer or special skills to apply.

They are safe and easy to use and get the job done in three simple steps. Just make sure your surface is clean, then peel off the backing, stick to your chosen spot. Job done!

Decorate and Organise Your Home, School or Office

Our range of fasteners will help you get through your to-do list in record time. Hanging posters, maps and charts in the home, school or office can be done in no time and with zero fuss.

The fasteners can also be used to create and display artwork, and to complete an endless range of craft projects for young and old. They are great for getting organised too and can be used to attach removable and interchangeable labels for storage tubs in the study or kids room, or containers in the kitchen or laundry.
