

PORTABLE FLY REPELLENT FAN

22177/06

Before first using your new Portable Fly Repellent Fan, it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Please Keep this document for future reference.

Warning:

- The Portable Fly Repellent Fan has no Serviceable parts.
- Do not attempt to alter or modify Portable Fly Repellent Fan.
- Care must be taken to ensure the Portable Fly Repellent Fan is placed on a stable surface when in use.
- Do not install in a position where the Portable Fly Repellent Fan will be accessible to children or infirm persons or in a position able to contact the eye!
- This is not a toy, keep it away from children. When not in use, please take the batteries out from the unit. Avoid contact with water. Only use correct battery type and adhere to maximum input current rating.
- Failure to follow these instructions may void the warranty.

Operating Instructions:

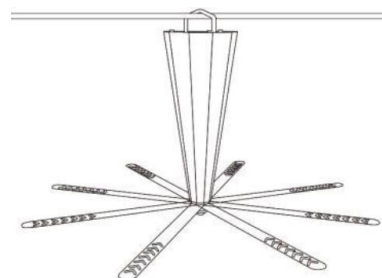

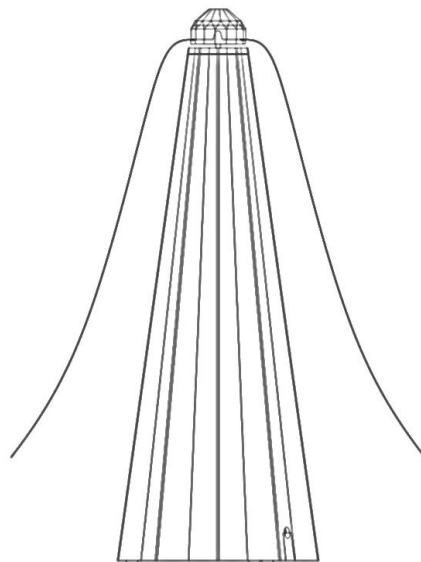

1. Choose to power by 2xAA 1.5 batteries or USB power.
2. If using batteries, open the battery compartment under the unit and insert the 2 batteries ensuring correct polarity.
3. When choosing to use USB power, ensure the USB-A power supply is not rated above 1A or 1000mA. Plug in the USB-A cable to the supply and the other end into the jack input on unit.

Note: Once the USB cable is plugged into the unit the 2xAA batteries will be disconnected – this is to prevent conflict

4. Locate the on/off switch and switch repellent fan on.
5. The fan can be positioned either on a flat surface or you can hang from a hook using the hanging loop located under the unit.
6. The plastic wings will expand and spin to keep flies away from the vicinity of the unit.

Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 12 months from date of purchase or as specified on the packaging. This warranty is only valid for products used in the manner as intended and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 12 months of the date of purchase of the product or as specified on the packaging. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.

This warranty is given by:
