Tool Kit Depot nails it with first NSW store in Tighes Hill

Local tradies and construction businesses in the Newcastle region have a new go-to destination for tools, equipment and expert advice, with Tool Kit Depot (TKD) officially opening its doors in Tighes Hill.

The first TKD store in New South Wales offers an extensive range of trade-quality tools and specialised services all in one place and with a price-beat promise.

TKD General Manager, Tim Cockayne, said the opening of the store, located on Industrial Drive, was exciting news for local tradies and businesses.

“We know how important it is for tradies, businesses and even serious DIY-ers to have access to the right tools and equipment,” Cockayne said.

“TKD Tighes Hill marks a significant milestone for the local community and region. TKD will make life easier for customers looking for the best tools on offer with a wide range of top brands, specialist advice and trade-focused services - all in one convenient location.

“We stock a comprehensive range including power tools, automotive tooling, construction, electrical, plumbing and outdoor power equipment, with tailored solutions and specialist expert services to meet the specific needs of trade professionals and commercial customers. Our market-leading price beat promise ensures that if you see a better price, we will beat it.

“Our dedicated team are ready to serve customers both in-store and on-site, including a knowledgeable sales floor team providing personalised service and a Commercial Account Manager visiting customers with specialist advice in the local area.”

Opening hours are Monday to Friday, 7am – 5:30pm, and Saturday to Sunday, 8am – 4pm. The address is Unit C, 350 Industrial Drive, Tighes Hill NSW 2297.

The Tighes Hill location is the first in NSW and the 17th store in the TKD national network, with the business continuing to grow and take its offer to more locations across Australia.

Tradies, trade businesses and the local community are invited to check out the new store, meet the team and explore the range. A grand opening celebration with special pricing and cash-back offers will take place across Friday 11 and Saturday 12 April, after the store opened its doors to customers this week.
