

### Product Description

The WallDriller™ is designed to offer you the maximum: A fine centered point that helps guide the anchor into the wall with flawless precision. A sharp cutting edge that reduces the force required to cut the material, making it a self-drilling anchor without pre-drilling. Also, a sharp profile thread that cuts deeply into the hole to ensure maximum holding power and stability.

### Features & Benefits

- ▶ Fast and easy to install
- ▶ No pre-drilling, the only tool required is a screwdriver
- ▶ Designed to install smoothly and easily through drywall
- ▶ Can easily be removed
- ▶ Available material: Zinc and nylon
- ▶ Note: Not recommended for ceiling applications.

### Perfect for:

Curtains, fire alarms, shelving, verticals, wall decorations, Etc.

### Packagings

## WallDriller

### Product sizes & Materials

- # 6 Nylon
- # 8 Long Nylon
