

D-Pattern Gate Latch

Tools required: Pencil, No.2 Phillips screwdriver, drill and 2mm drill bit.

Installation instructions:

1. Place latch in desired location ensuring it functions as intended.
2. Mark screw locations for latch. Drill holes using a 2mm drill bit and fasten using the provided screws.
3. Position the bar so it engages with the latch correctly. Mark and drill 2mm pilot holes and fasten with screws provided.

Corrosion Protection Chart

Finish:	Rating:
