

PRODUCT SAFETY RECALL

Click TV Wall Bracket

Model No. CLED1340 (OLN 7239)

DESCRIPTION:

TV wall mounting bracket where: Two metal disks are attached to the wall; the black plastic pieces are attached to the TV, then the TV is hung on the disks via the wire.

The affected products can be identified as pictured (with white 'Click' logo sticker). They were sold through **BUNNINGS** from **05 August 2012 to 17 March 2017**.

DEFECT:

The plastic mounts at either end of the wire may fail, resulting in the wire detaching from the mount.

HAZARD:

A television hooked on the wall bracket may fall from the wall, posing a risk of serious injury.

ACTION REQUIRED:

Contact Yale Prima to discuss replacement of the wall bracket or alternatively return the product to any Bunnings store for a refund.

CONTACT DETAILS:

For any further information, please contact the Yale Prima Call Centre on **1300 366 155** 9am – 5 pm EST (Mon-Fri) or email to **support@yaleprima.com.au**
